“The mission of Saint Clare’s School is to provide every student with an exceptional academic and spiritual foundation, with Jesus as the focus of all we do, within a safe and nurturing family environment.”

Annual Commitment Form

Over the last few years, we have effectively streamlined the tuition and fees at Saint Clare by bundling annual fees and reducing unnecessary costs, which essentially avoid unexpected costs throughout the school year. These figures are now budgeted into the Annual Tuition and General Fee for all students. This streamlined and fully electronic process was a result of many requests from parents for easier budgeting and planning. It also puts us ahead of other schools who may boast lower tuition but fail to add in the additional fees which ultimately make the annual cost much more than the Saint Clare rate.

This year, we will once again require a placement fee which will be credited to your next year 2021-2022 SMART Tuition Account. This \$300 **non-refundable** fee per family will be applied to your account in March to ensure a seat for your child in the 2021-2022 academic school year. If you are returning next year, you will receive a \$300 credit toward your 2021-2022 tuition.
